 - Scout Farm 3/21
- Council Events
 - Council Quarterdeck 2/24
 - Sea Scout Academy 5/16

NEW BUSINESS:

- Coast to Coast Sea Scout Rendezvous, 2/20 @ 7pm
 1. Appropriate time and date?

Ship 1610 in Hampton is having a camp-in the weekend of February 19-21. My suggestion is we could meet Saturday, February 20, 7pm East Coast time, which would be 4pm Pacific Coast time. Norm would prefer me to use GMT, but I'm not that savvy yet. If that time and date is not convenient we'll keep hammering it out. We meet Sunday afternoons, 1-5, but do not have WiFi at our meeting location. Therefore we'll need to make arrangements to meet someplace with WiFi.
 2. Suggested topic: All Things Anchoring

The idea is for the youth to do the teaching. Norm came up with an outline which the 2 ships can choose which topics their Scouts will teach.

 - a. Anchor types and construction
 - b. Anchor rodes and construction
 - c. Anchoring techniques - scope, raising, lowering, hand signals
 - d. Anchor watches - anchor alarm, crossed bearing, dragging
 - e. Mooring techniques - mooring ball, med mooring, two-anchor system
 - f. Marking anchor rodes
 - g. Storm tactics and sea anchors
 - h. Skipper's time: tips and tricks

3. Have the Scouts share videos or photos of:
 - a. Ship boats
 - b. Marina where Ship boats are kept
 - c. Last long cruise
 - d. Favorite go-to spot(s)
 - e. Favorite ice cream spot(s)
- Deltaville Delivery, 2/28 @ 7am-5pm
- Scout Farm Service 3/21 @ 8am-5pm

SCHOOL OF THE BOAT ADVANCEMENT WORKSHOP:

- Tuesday, January 9 at 2000 – Apprentice Topic: Safety. Instructor: Skipper
